## OBJECTIVE

Interns/Software Engineers are looking for part-time positions in a dynamic organization that fosters continuous learning and innovation. Looking forward to leveraging technical skills and expertise in software development methodologies to contribute effectively to the company's projects. With accumulated knowledge and experience, my goal is to complete the assigned tasks and provide useful solutions. In the short term, I look forward to securing a long-term position in the company, while my long-term goal is to grow into a full-stack developer in the next 3 years.
